

Arts Coordinator Professional Development Series:
Strengthening Our Impact as Instructional Leaders

Putting It All Together as Instructional Leaders

May 18, 2010

Enduring Understanding (for PD Series)

The effective implementation of quality arts education requires knowledgeable and resourceful instructional leaders.

Essential Question (for PD Series)

What capacities do Arts Coordinators need to strengthen to deepen their impact as instructional leaders?

Goals

You will enhance your abilities to

- communicate effectively with district leaders
- think strategically to advance implementation
- engage as reflective practitioners
- build community through the arts.

Outcomes

You will

- link the capacities of instructional leaders to results in implementation
- use reflection as a means of professional renewal
- celebrate your accomplishments and sense of community.
